

Zoom Jet Packs Safety Advisory Document

This document serves to provide important safety advice to the leasee of a new jet pack from Zoom Jet Packs. By signing this document, you acknowledge that you have been advised of these safety points and agree to adhere to them.

Safety Dos:

1. **Always wear suitable protective clothing:** This includes a helmet, gloves, and fire-resistant suit.
2. **Only fly if you have a license:** Ensure you have a valid jet pack operator's license.
3. **Attend a safety training course:** Before operating the jet pack, attend a safety training course provided by a certified institution.
4. **Perform a pre-flight check:** Always check the jet pack for any visible damage or leaks before each flight.
5. **Fly in clear weather:** Avoid flying in adverse weather conditions such as rain, fog, or high winds.
6. **Maintain a safe altitude:** Always fly at a safe altitude to avoid collisions with buildings and other structures.
7. **Keep a safe distance from people and animals:** Maintain a minimum distance of 30 feet from people and animals.
8. **Follow traffic rules:** Adhere to all air traffic rules and regulations.
9. **Use safety equipment:** Always use the safety harness and other safety equipment provided.
10. **Report any issues immediately:** If you notice any issues with the jet pack, report them to Zoom Jet Packs immediately.

Safety Don'ts:

1. **Don't do stunts:** Performing stunts can lead to accidents and damage to the jet pack.
2. **Don't operate under the influence:** Never operate the jet pack under the influence of alcohol or drugs.
3. **Don't fly near airports:** Keep a safe distance from airports and other restricted airspace.
4. **Don't exceed the weight limit:** Never exceed the maximum weight limit specified for the jet pack.
5. **Don't ignore warning signals:** If any warning lights or signals activate during flight, land immediately and report the issue.
6. **Don't fly over crowds:** Avoid flying directly over crowded areas.
7. **Don't ignore maintenance schedules:** Regular maintenance is crucial for safe operation. Follow the maintenance schedule provided.
8. **Don't modify the jet pack:** Any modifications to the jet pack must be approved by Zoom Jet Packs.
9. **Don't leave the jet pack unattended:** Always secure the jet pack when not in use.
10. **Don't fly in restricted areas:** Always check for and respect local and national restrictions on jet pack use.

By signing below, you acknowledge that you have read and understood these safety points and agree to adhere to them.
